Providing Tools for the Journey

PAVING THE WAY FOR BROTHERHOOD

Pi Kappa Alpha understands the various stages of the journey to becoming an effective leader. The Fraternity stands to assist and empower those who want to excel. We want to always be prepared to respond to the needs of our members, whether it be financial, need for mentorship, or education assistance. We want them to have the tools they need to lead their chapter and to make a difference within the Fraternity, on campus, and in their communities.

We also want them to be like you: eager to support brothers in need.

Thank you for making this journey possible.

***Thank you for continuing to walk
alongside your brothers.***

***“You’ve invested in the best stock on

Fraternity at a Glance

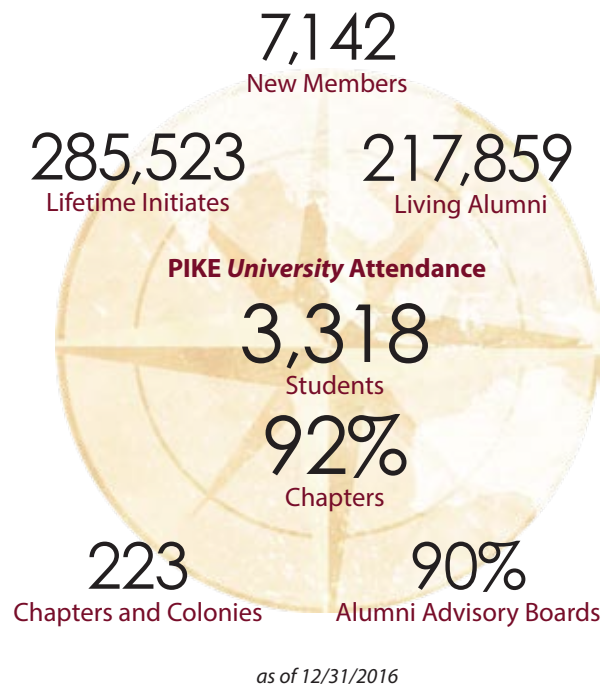

Your financial giving, along with the Foundation's work, has a significant impact on Pi Kappa Alpha's success. The Fraternity continues to grow at record pace. With over 220 chapters, 14,900 undergraduate members, and 218,000 living alumni spanning the globe, Pi Kappa Alpha is widely recognized as the preeminent fraternity. By strategically investing in programs such as PIKE University leadership conferences, health & safety initiatives, alumni engagement, and disbursement of individual and chapter scholarships and grants, we are the funding vehicle that has helped your Fraternity grow and remain relevant. Through your financial support, we are enhancing every aspect of the Fraternity and the young men we seek to assist.

Scholarships

With over \$1.3 million awarded in scholarships and grants in 2016, you helped forge new paths for our brothers. In addition to lightening financial burdens, the PIKE Foundation is providing opportunities to student members to which they may not otherwise have had access. With the cost of higher education burdening many of our students, we aim to keep the PIKE experience affordable and attainable. Thus, the PIKE Foundation has worked with donors like you to establish need and merit based scholarships; provide grants to PIKE University and chapters for formal leadership training; and work closely with chapter house corporations to ensure that they are providing safe, competitive housing for members.

PIKE University

PIKE University, established in 2003, is a cornerstone of accomplishment for our Fraternity. It was designed by leadership experts, administered by professional staff, and has been partially funded and supported by our very own alumni investors. By hosting nine conferences per academic year, PIKE University provides innovative teachings to new members, aspiring and existing chapter leadership, graduating seniors, and alumnus advisors. In addition to raising funds to send students to conferences annually, the Foundation maintains a growing \$1M endowment fund, which is restricted to supporting the continued advancement of PIKE University offerings.

Campus & Community

The Fraternity strives to cultivate young men with the passion to make a difference and provide them with the tools necessary to take action. With your guidance, our undergraduate members are making a greater impact on campus and in the community. They conduct themselves with high integrity and moral character. Instilled through PIKE University teachings, we continue to focus on recruiting only the best men on campus, then charge them and all chapter members to get involved and excel in everything they do.

PIKE Strongholds

It's been said the best journeys always take you home. Pi Kappa Alpha prides itself on being a home-away-from-home for our members. For many chapters, this comes in the form of a living, learning facility on or near campus. The PIKE Foundation is proud to partner with chapter alumni and house corporations to help raise funds that are invested in making chapter houses safe, competitive environments that properly represent the PIKE brand. The Fraternity proudly boasts over \$125 million in real estate holdings nationwide.

FUNDING THE JOURNEY

FOUNDATION NET ASSETS

In 2016 the PIKE Foundation once again realized an increase in net assets (42% increase over past 5 years). There was a slight decrease (-9%) in revenue over the prior year, due largely to the fulfillment of previously recorded pledges. Expenses were significantly higher, but included over \$1.3 million in qualified grants and scholarships.

ENDOWMENT FUND BALANCE

Thanks to forward-thinking donors and prudent advisors, our Endowment Fund continues to grow, even with unstable market conditions. Since 2012, the Fund has grown by 71%. As of December 31, 2016, the Foundation maintains \$9,993,872 in investments under professional management.

FUNCTIONAL EXPENSES

The Foundation carefully invests its resources to raise additional, mission-critical capital for its beneficiaries. In FY16, a \$.19 per dollar raised fundraising efficiency ratio was realized, vs. \$.12 in FY15. The rolling 5-year average is \$.16, which falls well below industry guidelines for efficiency (<\$.35).

Program Expenses (expenses such as grants & scholarships) hit record highs (73% of total expenses) in 2016, primarily due to milestone Educational Facilities Grants – support for chapter-specific housing projects. The PIKE Foundation aims to award a minimum 60% of its annual expenses.

"Total Raised from this Chapter" reflects cash gifts received in fiscal year 2016. Chapters with fewer than four donors do not show total raised amount.

Imagine for a moment.

You are 83 years old. Eyes are milky with fading vision. Your joints ache with arthritis. Every breath rattles your lungs. Your body is besieged with the many troubles of a man with declining health.

Imagine for a moment.

You have endured the passing of your wife and your daughter. Now, your eldest son has passed on, too. Somehow, you are what is left of your family. Craig McCoy (Missouri, Alpha Nu '85) did not have to imagine this difficult time in a man's life. His uncle Sam was living it. McCoy was trying to arrange a move for Sam from Kentucky to an assisted living community in Florida. A daunting task

for anyone, let alone an elderly man and his nephew who lived 750 miles away. However, McCoy was desperate to get his uncle the care he needed.

Knowing there was a PIKE chapter in the area, he called upon his brothers at Marshall University. On a cool Saturday in March, members of Delta Iota Chapter eagerly gathered to clean, organize, and do the heavy

lifting for one elderly man. It was a long, rewarding day of work. "Spending the day with Craig and his family was a blessing. We exchanged stories and personal

memories that all culminate in the story of Pi Kappa Alpha. It was a great experience," Chapter President Jay Haycraft '14 said.

Imagine for a moment.

You are a young man having to choose between paying for his tuition and paying for his membership dues. With student debt at an all-time high it is not unusual that academic barriers exist for young men seeking lifelong brotherhood. Fortunately, these young men have you, alumnus donors and friends who continue to bring the element of brotherhood full circle through gifts to the Pi Kappa Alpha Foundation.

Just as McCoy and his uncle Sam were able to count on the brothers of Delta Iota in their time of need, our undergraduate members are able to count on you.

Thank you for your continued support.

"It goes to show that brotherhood goes far beyond 20 or so buddies you get to know at school."

- New Member Corbin McGeehee

Meet Jay.

Serving as a chapter advisor since 2010, Jay has taken a personal interest in the development of his brothers. In 2016, Jay took the step of investing in his brothers with a \$5,000 gift to the Foundation's PIKE Loyal Order Fund. Alumni like Jay are making all the difference during our undergraduate members' journey!

"Of all the positions I've held, being chapter advisor has absolutely been the most gratifying. Being on the front lines with the guys on an almost daily basis is fantastic, and getting to know these young men on a personal level is really special. As chapter advisor, there are constant challenges in making sure the chapter runs smoothly, but being able to work with the young men of Gamma Theta and help them find solutions is truly rewarding."

– Jay Cook (Mississippi State, Gamma Theta '02)

Meet Nigel.

"Outside the importance of accountability, PIKE has prepared me for the future by pushing me to value diversity. We are a chapter grounded in the mission to create a community of diverse and inclusive men. Celebrating others' qualities is the single most important thing you can do for a peer, superior, teammate, employee, friend, family member, or Fraternity brother. PIKE has seen success in this mission by bringing people into Greek life from different backgrounds, especially those who entered college without intending to participate. My future life path is currently leading me towards a stint in education through Teach For America, and after, consulting through Deloitte. Both of these organizations are especially dependent upon the way I connect with the people I meet. PIKE has prepared me to connect with people by making them feel included and making sure they know they matter."

Meet Hares.

"Each year, we host a back to school event called 'Patriotic Party' in hopes of attracting the most, best men to our chapter. This semester, we decided to incorporate a community service event benefiting the Veteran's Hospital to coincide with the annual recruitment event. We rented a space for everyone to come out, make thank you cards and sign a huge banner that said 'All Hands In' for the veterans. It was great to see potential new members outside of the social scene and validate that they were interested in our chapter for more than just the social aspects."

Meet Gene.

"I joined PIKE because I knew it would be a brotherhood I could depend on. I wanted to join an organization that valued the importance of networking and accountability as alumni connections and internships will be crucial throughout my future. My chapter has proven to value me as an individual because we continue to put each other ahead of our own self-interests."
