PI KAPPA ALPHA FOUNDATION
2017 Annual Report & Honor Roll of Donors

**“What an enduring monument is the oak. A tree that covers
much of the temperate world... on the southern coast of our country,
it holds the earth against the winds, waters, and hurricanes.**

In the East, it covers acre after acre.

In the West, it dominates the landscape.”

- International Historian Jerome V. Reel Jr.

Founder William Alexander likened the Fraternity to an oak some 150 years ago. Since then, our roots have dug deep, and our branches have spread to touch the farthest corners of the world.

This growth and success would not have been possible without you. Thanks to your investment in Pi Kappa Alpha, the PIKE Foundation is, in turn, able to invest cherished resources to develop our young members.

Thank you for your leadership and generosity.

A Message from the President's Desk

In the 150 years since our founding, Pi Kappa Alpha has grown immensely. Not only in terms of size, but also scope. As it was in the 1800s, PIKE still fosters bonds of brotherhood and friendship. It continues to serve as a home-away-from-home. But its mission has expanded. We now have specific educational strategies that help build well-rounded students, servants of society; and we are constantly adapting to the needs of our individual members and their chapters. Our programs are working, and it's known to those who seek to be a part of something bigger than themselves. Your Fraternity continues to witness significant membership growth and is a top-ranking fraternal organization in every measurable category.

Even with all our success, we must acknowledge that today's PIKE student members face unprecedented challenges. Our men have tremendous potential, but they must navigate difficult waters as they seek to cement their identity as lifetime scholars, leaders, athletes and gentlemen. Your Fraternity remains adept and committed to addressing the needs of our members. And thanks to your support... your leadership, Pi Kappa Alpha continues to rise to the occasion.

You are empowering PIKE University, the primary vehicle through which we educate our undergraduates in chapter operations and personal development.

You are preserving and protecting important chapter housing facilities.

You are funding scholarships, grants, and endowments.

As I look back at 2017, I celebrate what was a record-breaking year for fundraising. I cherish the support PIKE received from caring alumni like you. I also am encouraged by how we, as an organization, are poised to do more as we enter the next 150 years of Pi Kappa Alpha.

Thanks to you, Pi Kappa Alpha has much to celebrate. And with your support, the Fraternity will continue to set the bar in its forward-facing vision to build better men who will in turn go on to shape the world.

Gratefully yours,

W. Thomas Clark
President

PIKE University®

We shape men, they go on to shape the world. Steering, guiding, and expanding this impact is accomplished through the innovative teaching platform known as PIKE University. Funded by donor investors, designed by experts, and executed by those with the passion to see this Fraternity and its members succeed, PIKE University continues to be the differentiator in chapter excellence.

With nine strategically located conferences hosted throughout the nation, Pi Kappa Alpha undergraduates experience hands-on training in chapter operations, recruitment, marketing, and public relations. All sessions are also connected to our core values and emphasize character, ethics, and moral strength.

These teachings help each of PIKE's 212 chapters achieve the best on their respective campuses – while enhancing the PIKE brand from coast to coast. But PIKE University also provides personal development training for individual members – to help them become the best version of themselves.

Personal development courses include:

- ◆ **Preparing to enter the workforce**
- ◆ **Building personal brands and mission statements**
- ◆ **Building a balanced lifestyle**
- ◆ **Bystander intervention and self-awareness on addictions & personal well-being**
- ◆ **Balancing a busy schedule**

In addition, PIKE University's Health & Safety initiatives touch on critical issues that are affecting college-aged students more than any time in our history.

ANTI-HAZING

We partner with the Novak Institute, a national organization dedicated to empowering people to prevent hazing in college and university student groups.

SEXUAL ASSAULT PREVENTION

PIKE partners with The Fraternal Health and Safety Initiative (FHSI) Consortium to conduct on-site programming with all our chapters. We believe fraternities and sororities are well-positioned to address the topic of sexual misconduct, assault, and relationship violence prevention from a values-based perspective.

ALCOHOL & DRUGS PREVENTION

Many students initiate or increase drinking while in college. Alcohol misuse is the number one health problem among college students. Together, with your support, we can continue to make concerted efforts to tackle alcohol misuse at the chapter and individual member level.

LEADERSHIP LECTURE SERIES

Another facet of PIKE University support is our stimulating Leadership Lecture Series. Often the most memorable program for conference attendees, your charitable investment has set the stage for our most intriguing PIKE alumni. Leaders in their industries, these men share their stories and reinforce how following the True PIKE Commitment has contributed to their success.

On the Horizon

Fraternities are increasingly experiencing unprecedented pressure to help solve complex societal problems. Whether it be continued issues with unproductive rite of passage exercises, the opioid epidemic, misuse of alcohol or suicide, students face a myriad of pressures and challenges the minute they step foot on campus.

While Pi Kappa Alpha is considered a leader in the area of health & safety, we are preparing to do more. Our students need help and host-institutions are demanding that we make it a priority. Our very existence may depend on how we respond.

Pi Kappa Alpha Executive Vice President Justin A. Buck (*Southeast Missouri State, Epsilon Iota '96*) stated, “There is a lot of change happening within both higher education and the political landscape, making advocating for the fraternal experience more important than ever. We need help combating issues related to hazing, substance abuse and rising concern in the areas of mental health and addiction. It’s a major issue on all college campuses and the Greek community plays a vital role in supporting our student members.”

In 2017, the Foundation initiated a plan to raise the capital required for the Fraternity to bolster its programming in the area of health & safety. We have garnered early support from existing donors, prospective investors and outside granting entities. A concerted effort is underway to acquire outside expertise, which has already been demonstrated by Pi Kappa Alpha’s national partnership with The Center on Addiction. Together, we aim to eliminate the negative stigma around all addictions. Similar partnerships and ventures are being sought for mental health, suicide and sexual misconduct prevention education, and initiatives.

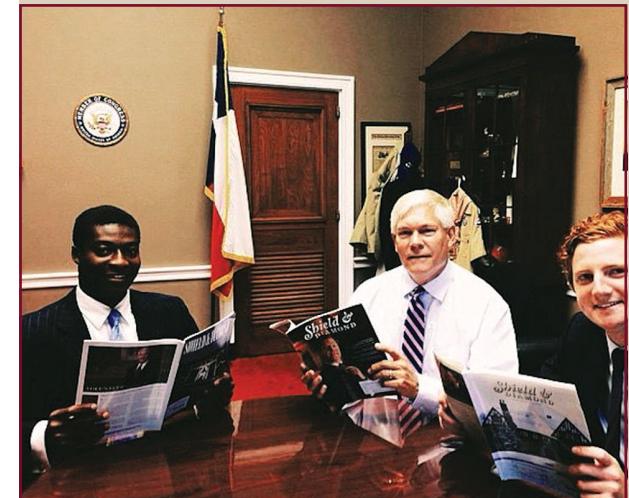

Measuring Impact

CAMPUS

On campus, our members are thriving beyond the classroom. They are leading student governments, winning intramural competitions, and taking active roles in recognized student organizations. Pikes are positively impacting entire campus communities and enhancing the Fraternity's local brand, which is attracting the best men to want to join.

COMMUNITY

Pi Kappa Alpha is enriching our communities through service. Our young men are taking the initiative and finding needs that speak to their heart, and it's having tangible results. In 2017, our undergraduates raised over three million dollars for local charities and contributed over three hundred thousand hours in community service.

Scholarships, Grants, Endowments

The number one concern for today's students continues to be the rising cost of tuition, room, and board. The second highest concern is the lack of scholarship and grant money available to cover these costs. These realities have forced our undergraduates to be creative about their payment options. For example, an increasing number of students work while attending school (73 percent, up from 62 percent last year). Family circumstances, economic recovery, and other factors squeeze students' ability to pay for their education as they try to focus on their studies.

This raises concerns for additional PIKE programming. How can these young men who barely have time for their regular studies be expected to participate in the True PIKE Experience? Or take on additional fees to attend PIKE *University*?

Fortunately, countless PIKE alumni like you recognize this need and seek to take advantage of the Foundation's many scholarship programs. Because of you, we are able to offer need and merit-based scholarships to PIKE *University* events, and grants that help provide competitive housing on campus. We have an impressive array of options for any undergraduate member seeking assistance. We can proudly boast through your generosity the following for 2017:

- ◆ **More than \$195,000 dollars were awarded in scholarships.**
- ◆ **162 scholarships awarded.**
- ◆ **2,852 students attended PIKE *University*.**

ROBERTSON MOST OUTSTANDING UNDERGRADUATE AWARDS:

At the 2017 Academy, Brother Nicholas Partie (*Cincinnati, Alpha Xi '12*) was honored as the Robertson Most Outstanding Undergraduate and awarded a \$2,500 scholarship. Brother Partie graduated magna cum laude with a Bachelor of Business Administration degree in accounting and international business with a minor in business analytics. Following graduation, Nick began a consulting career with IBM in New York City.

SCOTT MACKLER, MD, PHD, MEDICAL SCHOOL MEMORIAL SCHOLARSHIP:

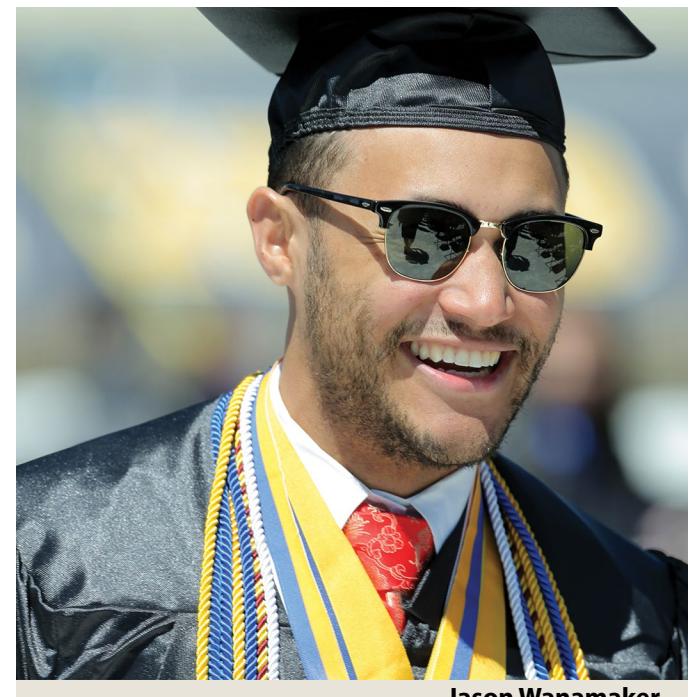

Jason Wanamaker (*Toledo, Epsilon Epsilon '13*) was chosen as the 2017 recipient and received a \$3,000 scholarship to continue his studies in the field of medicine at The University of Toledo College of Medicine and Life Sciences.

R. CRAIG HOENSHELL HONOR SOCIETY ENDOWMENT:

In an effort to recognize outstanding performance among our undergraduate members, the PIKE Foundation offers financial assistance for those inducted into prestigious academic honor societies. Former Foundation Trustee R. Craig Hoenshell (*Nebraska-Omaha, Delta Chi '63*) made a lead donation to support our students. Today any PIKE student who is initiated into Order of Omega, Omicron Delta Kappa, Phi Beta Kappa, Phi Kappa Phi, and Tau Beta Pi qualifies to receive a scholarship in the amount of the respective honorary initiation fee. In 2017, thirty-six students received a Hoenshell Honor Society Scholarship. In total, over \$40,000 has been awarded to honor society inductees since this program was established.

EDUCATIONAL FACILITY GRANTS

The PIKE Foundation proudly partners with chapter alumni, house corporations, and undergraduates to help maintain and develop our chapter housing. With over 16 million dollars in capital expenditures last year, the Foundation received \$4,918,224 donated funds through the educational facilities grant program and awarded almost \$3 million for qualified building expenses. This program, along with support from the International Fraternity, helps ensure that Pi Kappa Alpha maintains safe, market-relevant chapter houses where our members can live, learn and socialize.

2017 Chapter House Projects Supported by the PIKE Foundation:

- ◆ **Gamma Chi at Oklahoma State (new build)**
- ◆ **Zeta Sigma at Florida Tech (new build)**
- ◆ **Gamma Theta at Mississippi State (renovation)**
- ◆ **Zeta Chi at Missouri State (educational equipment)**
- ◆ **Theta Omicron at Indiana State (renovation)**

MEMORIAL HEADQUARTERS

The Memorial Headquarters contains the Freeman H. Hart Museum, Harvey T. Newell Library, the Gold Star Memorial and serves as the site of chapter events, initiations, board meetings, and houses 45 Memphis employees. Owned and operated by the Pi Kappa Alpha Foundation, the iconic building serves as a tribute to the brothers who made the ultimate sacrifice serving the United States and Canada. It protects our history and 150-year-old story. The building serves as the central nervous system to all PIKE operations and is a bucket-list destination for alumni and student members.

Financials

An oak with a strong root system as its base is sturdy and reliable, allowing it to grow and spread its reach. 2017 was a year that allowed the PIKE Foundation to both increase stability and reach further into the PIKE community.

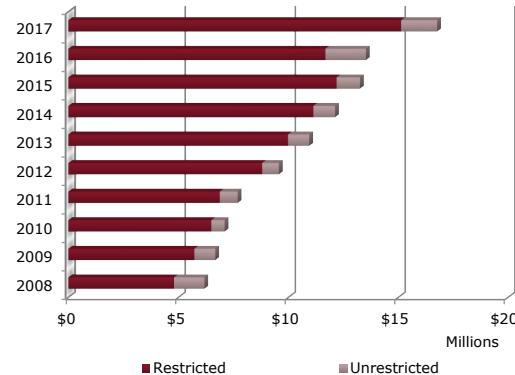

ENDOWMENT FUND BALANCE

For the first time in the Foundation's history, its endowment eclipsed the ten-million-dollar threshold, closing out the year with \$10,704,147 in investments under professional management.

FOUNDATION NET ASSETS

Net assets also realized a 24% increase over 2016, driven by a 30% increase in permanently restricted funds. Fundraising efforts resulted in \$6,558,356 raised through donor contributions and \$7,880,440 in total revenue was realized. Both figures are historic high-water marks for the Foundation.

For the second year, the Foundation saw a significant increase in expenses; mainly due to an increase in program expenses (qualified grants & scholarships). In addition, the organization is prioritizing dollars to expand its staffing model to raise critical capital for its beneficiaries. Even with this increased investment, FY '17 cost-per-dollar raised was \$0.09; down \$0.10 from FY '16 and well below the \$0.35 industry guideline.

REVENUE

Investor support increased to a 5-year high; 5,516 gifts were made by 2,173 individual donors. The PIKE Loyal Order (annual fund) raised \$766,594.00, also a five-year high. The President's Council hit a record with 384 members. The \$479,047.00 raised to support Pi Kappa Alpha's most critical programs by members of the PC represents a 27% increase in financial support from 2016.

Guide To Giving

MATCHING GIFTS

Many companies offer matching gift programs to encourage employees to contribute to charitable organizations. Most of these programs match contributions dollar for dollar, and some will even double or triple the amount of your gift!

STOCKS, BONDS, AND MUTUAL FUNDS

Gifts of securities that have appreciated in value allow you to avoid capital gains taxes while receiving a tax deduction.

ESTATE AND PLANNED GIFTS

Exclusion from gross income for income tax purposes of up to \$100,000 (per IRA account owner) for “qualified charitable distributions” from an Individual Retirement Account (IRA). The distribution will count toward an individual’s Required Minimum Distribution (RMD).

SCHOLARSHIP FUNDS

Endowed at \$20,000, alumni have the opportunity to begin their own scholarship fund or give to those that are established.

CHAPTER ENDOWMENT FUND

Endowed at \$10,000 to provide your chapter with PIKE University tuition scholarships.

ANNUAL FUND

Gifts that support the Fraternity's ever-changing needs and greatest priorities.

THE 1868 CLUB

A giving club designed to recognize those who give a recurring monthly gift of \$18.68 to the annual fund.

THE PRESIDENT'S COUNCIL

Premier giving society designed to recognize those who give \$1000 or more annually.

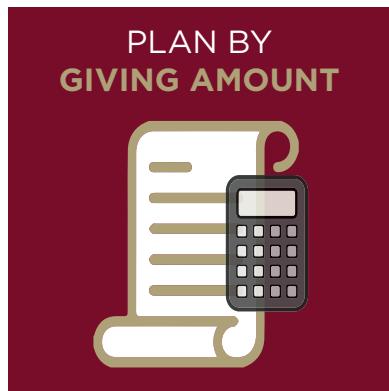

OAK TRUST

By planning wisely, you can support our future needs while personally benefiting your financial position today.

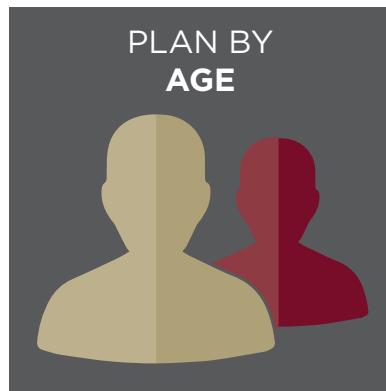

Oak Trust Continued...

Build your legacy through a planned gift that makes an impact after your lifetime via bequest, last testimonial, 401k beneficiary designation, life insurance; remainder & annuity trust giving. The Pi Kappa Alpha Foundation is pleased to recognize alumni and friends who have included the Foundation in their estate plans as members of The Oak Trust. In very significant ways, Oak Trust members embrace the mission to educate and empower principled leaders. These alumni and friends are helping Pi Kappa Alpha, in perpetuity, to continue to provide a fraternal and collegiate experience founded on the principles of leadership, scholarship and citizenship.

If you have established a bequest, please let us know at PikeFoundation@pikes.org or 901-748-1948 so that we can welcome you as a member of the Oak Trust Society.
