## Thanks to Pi Kappa Alpha's Loyal Supporters

The Board of Trustees of the Pi Kappa Alpha Foundation, its staff and the student members of the Fraternity who are the beneficiaries of your generosity thank you for your kind and loyal support.

Without your support, the strides the Fraternity has made over the past few decades in providing leadership development education would not have been possible. Your generosity has preserved for future members the great experiences you've had during your undergraduate years. And in many cases, your support has contributed to making those experiences even better.
